We will continue to provide additional guidance as our state progresses through its tiered reopening plan.

## How to Properly Wear a Face Mask

**IF YOU CHOOSE TO WEAR A MASK,  
ENSURE IT'S WORN CORRECTLY!**

**CORRECT**

The mask should extend from the bridge of the nose to below the chin.

Glasses are to be worn on top of the face mask, over the bridge of the nose.

**WRONG**

The mask should NOT sit above the chin, leaving the mouth exposed.

The mask should NOT sit under the bridge of the nose, leaving the nose exposed.

## Wearing Gloves Doesn't Mean More Protection From Germs

## Resources

### **“Check My Symptoms”**

NCDHHS has created a “Check My Symptoms” tool that will help you check your symptoms online and determine if you will be recommended to be tested for COVID-19. After you enter your symptoms, if it is recommended that you get tested, you will receive a list of nearby testing sites via email or text. This is an informational tool to help you determine if you may need to be tested; however it is not a physician order. Testing sites may require their own screening. The “Check My Symptoms” tool can be accessed using the following link.
