

# COVID-19 Surveillance Data

## Beaufort County Health Department

1436 Highland Drive, Washington, North Carolina 27889 252.946.1902

Updates are generally completed daily during the work week though some data is compiled weekly or monthly.

| Monday, February 21, 2022                               |        |       |
|---|--------|-------|
|   |        |       |
| Tests conducted on Beaufort county residents (to date)  | 74,714 |       |
| Total cases (tested positive)                           | 12,526 |       |
| Total hospitalizations that have occurred               | 451    | 3.6%  |
| Total Deaths*   | 152    | 1.29  |
| Average age of deaths (years)                           | 74.6   |       |
| Known active cases currently in the county              | 398    |       |
| Currently hospitalized                                  | 9      | 2.39  |
| Currently on a ventilator                               | 3      |       |
| Total cases recovered                                   | 11,976 | 95.6% |
| Seven (7) day average case rate                         | 20.4   |       |
| Positive cases June 1 to Dec 31 (2021)**                | 3,447  |       |
| Breakthrough (positive after completing vaccination)**  | 663    | 199   |
| Positive cases since Jan 1, 2022 (Omicron influence)*** | 4,415  |       |
| Breakthrough (this data lags behind case count)         | 1,471  | 339   |
| Deaths* from long term care facilities                  | 56     | 379   |

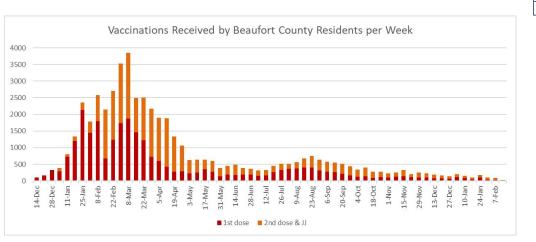

<sup>\*</sup>Deaths reported through this website have been confirmed through a review of the death certificates. This validation process can sometimes take a long time when a resident passes in another County or State. Other sources may report presumptive totals and therefore will vary with those reported here.

<sup>\*\*</sup>June 1, 2021 is used as a starting point due to first breakthrough case and start of Delta Variant detected in area.

<sup>\*\*\*</sup>This period is used to determine influence of Omicron Variant on County

#### COVID-19 Vaccination Information:

| Monday, February 21, 2022                                 | Total  |       |
|---|--------|-------|
| Beaufort County Population (NCSCHS)                       | 47,079 |       |
|   |        |       |
| Residents that are partially vaccinated against COVID-19  | 26,949 | 57.2% |
| Completed COVID-19 vaccine series (all vaccines)          | 25,247 | 53.6% |
| Received extra dose or has been given a booster           | 12,369 |       |
| Population over 65 years of age (NCSCHS)                  | 11,281 |       |
| Over 65 that have received first dose of COVID-19 vaccine | 10,739 | 95.2% |
| Over 65 that have completed series                        | 10,317 | 91.5% |
| Adult Population (18 and older)                           | 37,758 |       |
| Partially vaccinated                                      | 25,564 | 67.7% |
| Fully vaccinated  | 24,091 | 63.8% |
|   |        |       |
| 12-17 year olds vaccinated                                | 3,295  |       |
| Partially vaccinated                                      | 1,019  | 30.9% |
| Fully vaccinated  | 879    | 26.7% |
|   |        |       |
| 5-11 year olds vaccinated                                 | 3,604  |       |
| Partially vaccinated                                      | 366    | 10.2% |
| Fully vaccinated  | 277    | 7.7%  |

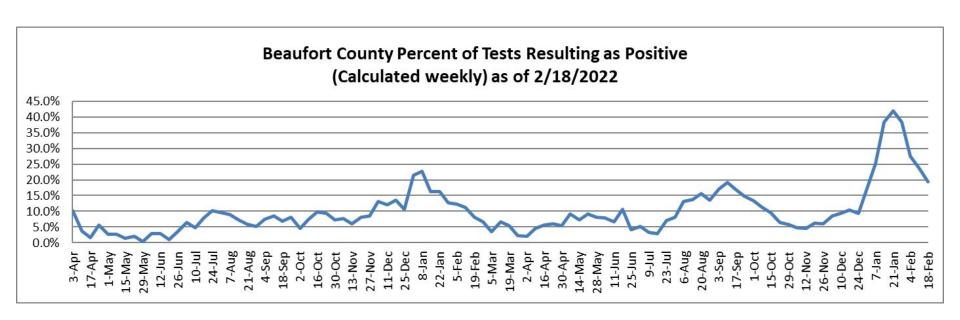

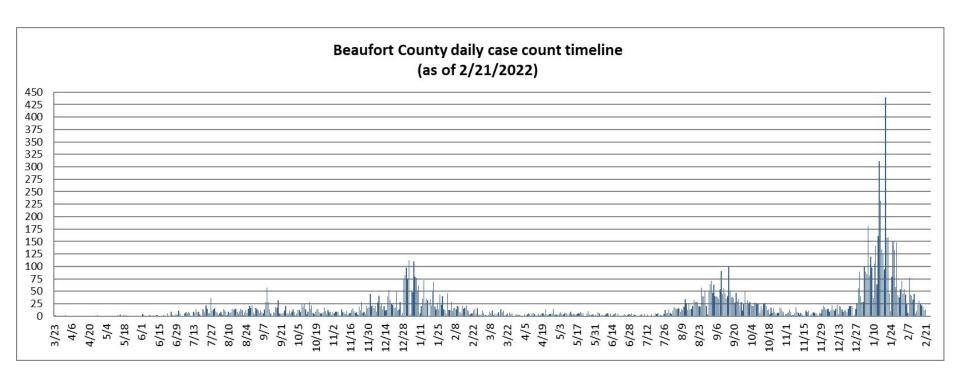

For the week ending February 18th: 19.3% of the 633 residents, tested in Beaufort County, tested positive.

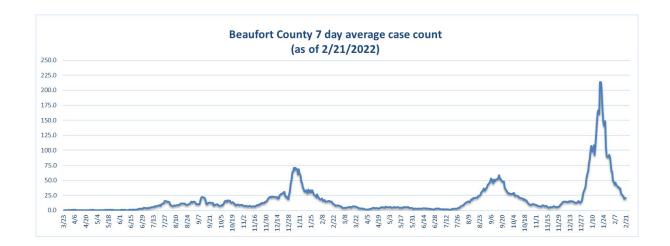

This data is usually compiled on Monday for the previous week's count. Only tests conducted in the county and results known.

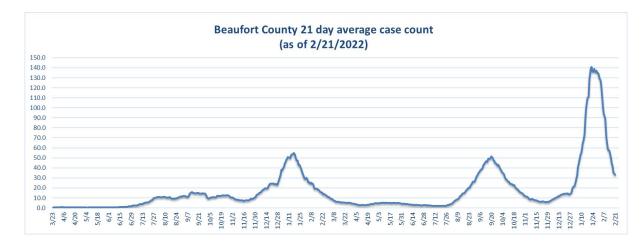

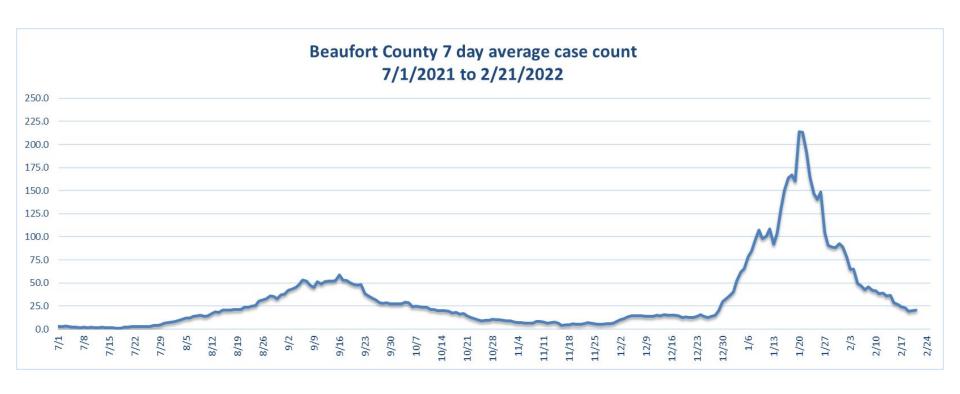

### 7 Day Average

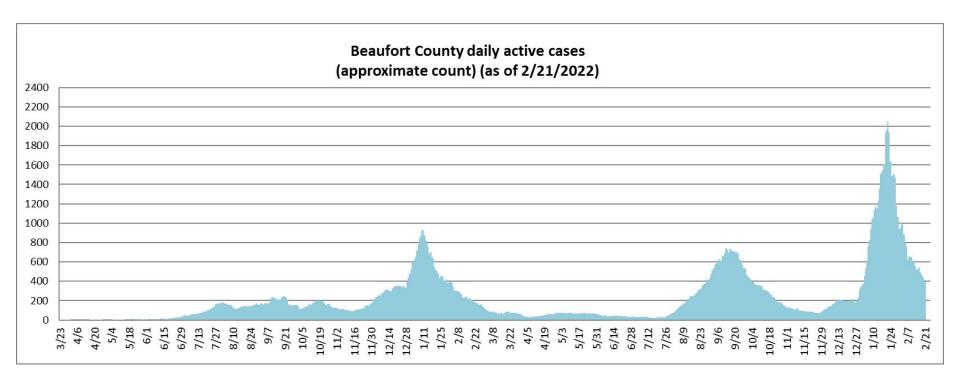

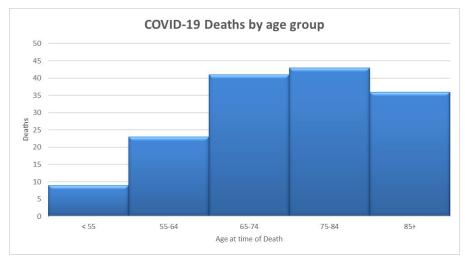

A 21 day average count reduces the weekly variability which may make it more difficult to follow the overall trend.

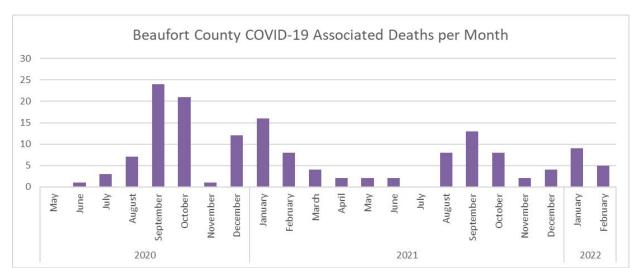

## Beaufort County Associated Deaths (152 total)
