

KEITH

KIDWELL COMMISSIONER

“In these challenging economic times, Beaufort County needs a leader who has experience managing a budget and prioritizing resources. We need a leader who can restrain spending while creating an environment

that encourages the growth of much needed jobs, make our schools stronger, and ensuring Beaufort County Citizens have access to a transparent government.

“I believe my experience in large, small and private businesses has taught me how to be this leader. I look forward to sharing my experiences and ideas with the citizens of Beaufort County.”

KEITH

KIDWELL COMMISSIONER

Only Candidate Who:

Spent his own money, and time working actively to stop the jail.

Is a founding member of the Stop the Jail Committee. Believes the people effected by the closing of Pungo District Hospital deserve a vote on the disposition of the hospital.

Political Beliefs:

The Constitution is the yardstick by which all legislation should be measured.

Taxes should be kept as low as possible, and only used for expenses that are absolutely necessary and permitted within the Constitution.

Citizens should be in control of their government, not government in control of the citizens.

Elected officials must remember they are servants of the people, not lords over them.

Governments job is to facilitate people and business, not obstruct and burden them.

Beaufort County Needs:

Government that remembers it is responsible to the citizens.

JOBS!! We must make Beaufort County more attractive to business.

Education that provides the skills students need to be successful and productive members of society.

Experience:

Over thirty five years business management, twenty eight of those in tax preparation and accounting.

Five years chairman of the Beaufort County Community College Business and Accounting Advisory Board.

Served on various non-profit boards and church councils as advisory member, treasurer and chairman.
